KINDNESS

Giving smiles to adults with disability: my best reward!

Posted on [December 1, 2020](#)

For Giving Tuesday, we asked all of the former volunteers who spent one day in our home of tenderness, to send a photo of them with a little note to our adults with disabilities who are now confined. for almost 9 months.

Spending time receiving these photos, formatting them, printing them, hanging them to finally discover the amazed smile of our adults with disabilities was the best gift received during this Giving Tuesday.

Receiving a smile is worth all the effort in the world!
